

**ANNUAL COPENHAGEN FILM FESTIVAL - 2022 EDITION
OCTOBER 21-22, HUSET BIOGRAF**

The 6th edition of the Annual Copenhagen Film Festival is here and will take place on October 21st and 22nd, at Huset Biograf. The festival is organized by HF Productions and our goal and vision is to create an event which will promote and highlight filmmakers and individuals that have contributed to the global effort of making the world a more entertaining and competitive environment for filmmaking.

In this edition, the ACFF team is excited to present a wide selection of 14 films, from well-crafted animation, to surreal dramas, light documentaries and odd comedies; films that can make you reflect, feel and connect.

On both dates, the cinema will open its doors for the audience at 18:00, 1 hour before the screening, the festival will operate on a first come first serve basis and on October 22nd, the screenings will be followed by the awards ceremony. All films will be screened in English or with English subtitles.

We are excited and very much looking forward to having you here in Copenhagen, to enjoy a great selection of films together!
